

Influence A Unique Audience of Manufacturing Professionals

White Paper

A free white paper is a powerful B2B offer that can stimulate high click-through rates, result in successful lead generation and influence purchases.

White Paper Sponsorship

Manufacturing executives can download a sponsor's white paper from the IndustryWeek.com site. White papers appear within their own section of the IW website at IndustryWeek.com/white-papers. Additionally, each paper is listed within one of the site's content categories.

Sales Leads

Whenever an IndustryWeek.com visitor downloads a white paper, Industryweek will email the person's name, address, company name, job title, etc. to the sponsoring company.

INVESTMENT: \$1,000 NET / MONTH, PER WHITE PAPER

White Paper Lead Touch Program

Expand your white paper's reach through our 3 tiered touch program to 5,000 contacts based on your target audience. Comprehensive summary reporting will allow you to move leads through the sales funnel. Design and copy creation provided for 3 emails sent over 3-4 weeks.
